FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of proposed Act dated the 3d June 1839, and published in the Calcutta Gazette of the 8th of the same month, for the protection of moveable and immoveable property against wrongful possession in cases of successions.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be republished for general information :

Act No. — or 1840.

Act for the protection of moveable and immoveable property against wrongful possession in cases of successions.

I. Whereas much inconvenience has been experienced, where persons have died possessed of moveable and immoveable property, and the same has been taken upon pretended claims of right by gift or succession; the difficulty of ascertaining the precise nature of the moveable property in such cases, the opportunities for misappropriating such property and also the profits of real property, the delays of a regular suit when vexatiously protracted, and the inability of heirs when out of possession to prosecute their rights, affording strong temptations for the employment of force or fraud in order to obtain possession. And whereas, from the above causes, the circumstance of actual possession, when taken upon a succession, does not afford an indication of rightful title equal to that of a decision by a Judge after hearing all parties in a summary suit, though such summary suit may not be sufficient to prevent a party removed from possession thereby from instituting a regular suit,—and whereas such summary suit, though it will take away many of the temptations which exist for assuming wrongful possession upon a succession will be too tardy a remedy for obviating them all, especially as regards moveable property. And whereas it may be expedient prior to the determination of the summary suit to appoint a Curator to take charge of property upon a succession, where there is reason to apprehend danger of misappropriation, waste or neglect, and where such appointment will, in the opinion of the authority making the same, be beneficial under all the circumstances of the case. And whereas it will be very inconvenient to interfere with successions to estates by the appointment of Curators, or by summary suits unless satisfactory grounds for such proceedings shall appear, and unless such proceedings shall be required by or on the behalf of parties giving satisfactory proof that they are likely to be materially prejudiced if left to the ordinary remedy of a regular suit;—

It is hereby enacted, that whenever a person dies leaving property, moveable or immoveable, it shall be

lawful for any person claiming a right by succession thereto, or to any portion thereof, and being out of possession, to make application to the Judge of the Court of the District where any part of the property is found or situate for relief, either after actual possession has been taken by another person, or when opposition is apprehended.

II. And it is hereby enacted, that it shall be lawful for any agent, relative, or near friend, or for the Court of Wards in cases within then cognizance in the event of any minor disqualified or absent person being entitled by succession to such property as aforesaid, and being out of possession to make the like application for relief.

III. And it is hereby enacted, that the Judge to whom such application shall be made shall, in the first place enquire by the solemn declaration of the complainant, and by witnesses and documents at his discretion, whether there be strong reasons for believing that the party in possession is holding possession unlawfully, and that the applicant, or the person on whose behalf he applies is really entitled, and that the application is made bona fide.

IV. And it is hereby enacted, that in case the Judge shall be satisfied of the existence of such strong grounds of belief but not otherwise, he shall cite the party in possession and give notice of vacant or disturbed possession by publication, and after the expiration of a reasonable time shall determine summarily the right to possession (subject to regular suit as hereinafter mentioned) and shall deliver possession accordingly—provided always that the Judge shall have the power to appoint an officer who shall take an inventory of effects, and seal or otherwise secure the same upon being applied to for the purpose without delay, whether he shall have concluded the enquiry necessary for citing the party in possession or not.

V. And it is hereby enacted, that in case it shall further appear, upon such application and examination as aforesaid, that danger is to be apprehended of the misappropriation or waste of the property before the summary suit can be determined, and that it is likely to be attended with manifest benefit to the party out of possession, provided he be the lawful owner by succession, and that the delay in obtaining security from the party in possession, or the insufficiency thereof is likely to expose the party out of possession to considerable risk, provided he be the lawful owner; it shall be lawful for the Judge to appoint one or more Curators with the powers hereinafter next mentioned, whose authority shall continue according to the terms of his or their respective appointments, and in no case beyond the determination of the summary suit and the confirmation or delivery of possession in consequence thereof. Provided always that, in the case of land, the Judge may delegate to the Collector or to his officer the powers of a Curator, and also that every appointment of a Curator in respect of any property be duly published.

VI. And it is hereby enacted, that the Judge shall have power to authorize such Curator, either to take possession of the property generally, or until security

be given by the party in possession, or until inventories of the property shall have been made, or for any other purpose necessary for securing the property from misappropriation or waste by the party in possession. Provided always, that it shall be entirely discretionary with the Judge, whether he shall allow the party in possession to continue in such possession, on giving security, or not, and any continuance in possession shall be subject to such orders as the Judge may issue touching inventories, or the securing of deeds or other effects.

VII. And it is hereby enacted, that the Judge shall exact from the Curator security for the faithful discharge of his trust, and for rendering satisfactory accounts of the same as hereinafter mentioned, and may authorize him to receive out of the property such remuneration as shall appear reasonable, but in no case exceeding 5 per centum on the personal property and on the annual profits of the real property, all surplus monies realized by the Curator shall be paid into Court, and invested in public Securities for the benefit of the persons entitled thereto upon adjudication of the summary suit. Provided always, that although security shall be required from the Curator with all reasonable despatch, and, where it is practicable, shall be taken generally to answer all cases for which the person may be afterwards appointed Curator, yet no delay in the taking of security shall prevent the Judge from immediately investing the Curator with the powers of his office.

VIII. And it is hereby enacted, that in all matters regarding the propriety of citing the party in possession, of appointing a Curator, and of nominating individuals to that appointment, the Judge shall demand a report from the Collector, and the Collector is hereby required to furnish the same. In cases of urgency the Judge may proceed, in the first instance, without such report and he shall not be obliged to act in conformity thereto, but, in case of his acting otherwise than according to such report, he shall immediately forward a statement of his reasons to the Court of Sudder Dewany Adawlut, and the Court of Sudder Dewany Adawlut if they shall be dissatisfied with such reasons shall direct the Judge to proceed conformably to the report of the Collector.

IX. And it is hereby enacted, that the Curator shall be subject to all orders of the Judge regarding the institution or the defence of suits, and that all suits may be instituted or defended in the name of the Curator on behalf of the estate, provided that suits concerning the estate which would be triable before the Judge appointing the Curator shall be triable in the Zillah or City Court nearest to that of such Judge.

X. And it is hereby enacted, that pending the custody of the property by the Curator, it shall be lawful for the Judge to make such allowances as upon a summary investigation of the rights and circumstances of the parties interested, he shall consider that necessity may require, taking, at his discretion, security for the repayment thereof with interest, in case the party shall, upon the adjudication of the summary suit, appear not to be entitled thereto.

XI. And it is hereby enacted, that the Curator shall file monthly accounts in abstract, and at the period of every three months, if his administration last so long, and upon giving up the possession of the property file a detailed account of his administration to the satisfaction of the Judge.

XII. And it is hereby enacted, that after the Judge of any district shall have appointed any Curator, such appointment shall preclude the Judge of any other district within the same Presidency from appointing any other Curator, provided the first appointment be in respect of the whole of the property of the deceased. But if the appointment be only in respect of a portion of the property of the deceased, this shall not preclude the appointment within the same Presidency of another Curator in respect of the residue or any portion thereof; provided always that no Judge shall appoint a Curator or entertain a summary suit in respect of property which is the subject of a summary suit previously instituted under this Act before another Judge—and provided further, that if two or more Curators be appointed by different Judges for several parts of an estate, it shall be lawful for the Sudder Dewany Adawlut to make such order as it shall think fit for the appointment of one Curator of the whole property.

XIII. And it is hereby provided, that this Act shall not be put in force, unless the aforesaid application to the Judge be made within six months of the decease of the proprietor, whose property is claimed by right in succession.

XIV. And it is hereby enacted, that this Act shall not be put in force to contravene any act of settlement, or in cases in which the deceased proprietor shall have given legal directions for the possession of his property after his decease in the event of minority or otherwise in opposition to such directions, but in every such case so soon as the Judge having jurisdiction over the property of a deceased person, shall be satisfied of the existence of such directions he shall give effect thereto, appointing the person indicated thereby to be Curator under this Act if so desired.

XV. And it is hereby provided, that this Act shall not be put in force, for the purpose of disturbing the possession of the Court of Wards of any Presidency; and in case a minor, or other disqualified person whose property shall be subject to the Court of Wards, shall be the party on whose behalf application is made under this Act, the Judge if he determines to cite the party in possession and also to appoint a Curator, shall invest the Court of Wards with the Curatorship of the estate pending the suit without taking such security as aforesaid, and in case the minor or other disqualified person shall, upon the adjudication of the summary suit appear to be entitled to the property, possession shall be delivered to the Court of Wards.

XVI. And it is hereby provided, that nothing in this Act contained shall be any impediment to the bringing of a regular suit either by the party whose application may have been rejected, before or after citing the party in possession, or by the party who may have been evicted from the possession under this Act.

XVII. And it is hereby enacted, that the decision of the Judge upon the summary suit under this Act shall have no other effect than, that of settling the actual possession; but that for this purpose it shall be final, not subject to any appeal or order for review.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 1st day of March next

Secy. to Govt. of India,

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of a proposed Act dated the 3d June 1839, and published in the Calcutta Gazette of the 8th of the same month, for facilitating the collection of debts on successions, and for the security of parties in paying debts to the representatives of deceased persons.

Resolution—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be re-published for general information:

Act No. — or 1840.

Act for facilitating the collection of debts on successions, and for the security of parties paying debts to the representatives of deceased persons.

I. Whereas the use of Probates and Letters of Administration in regard to the property of deceased British subjects and other persons subject to the Supreme Courts, in their Ecclesiastical Jurisdiction, has been found very expedient, as well for enforcing the rights of persons entitled to such property by succession, as also for the security of all persons having transactions with them. And whereas the occasional use of Probates and Letters of Administration in respect of the property of deceased Natives of India, though voluntarily adopted by their representatives for the sake of the advantages arising therefrom, has been attended with much expence and inconvenience, besides creating much legal doubt as to the effect of the authority conferred. And whereas it is expedient to give an express legislative sanction to Probates and Letters granted by the Supreme Courts in respect of the property of deceased Natives, and to authorize instruments having the like effect with Probates and Letters of Administration being granted by the Mofussil Courts but, in either

case, for the purpose of recovering debts only, and the security of debtors paying the same;—

No debt recoverable without a certificate.

It is hereby enacted, that no debtor of any deceased person shall be compelled in any Court of Law to pay his debt to any person claiming to be entitled to the effects of any deceased person or any part thereof, except on the production of a certificate to be obtained in manner hereinafter mentioned, unless the Court shall be of opinion that payment of the debt is withheld from fraudulent or vexatious motives, and not from any reasonable doubt as to the party entitled.

Manner of obtaining certificate.

II. And it is hereby enacted, that the Zillah or District Court within the jurisdiction of which any part of the property of the deceased may be found shall have authority to grant a certificate under this Act. The applicant in his petition shall set forth his title. The Judge shall issue notice of application, inviting claimants, and fixing a day for hearing the petition, and in these matters shall proceed as laid down in the Rules in Sections and of Act No. of 1841. (Vide Draft Act respecting curators.)

Effect of certificate.

III. And it is hereby enacted, that the certificate of the District or Zillah Judge shall be conclusive of the representative title against all debtors to the deceased, and shall afford full indemnity to all debtors paying their debts to the person in whose favor the certificate has been granted.

Security taken from grantee of certificate.

IV. And it is hereby enacted, that the District or Zillah Judge may take such security as he shall think necessary from any person to whom he shall grant a certificate for rendering an account of debts received by him, and for indemnity of persons who may be entitled to the whole or any part of the monies received by virtue of such certificate, whose right to recover the same by regular suit against the holder of the certificate is not affected by this Act.

Decision of Judge how far final.

V. And it is hereby enacted, that the granting of such certificate may be suspended by an appeal to the Court of Sudder Dewanny Adawlut, which Court may declare the party to whom the certificate should be granted, or may direct such proceedings for the investigation of the title as it shall think fit. The Court may also upon petition, after a certificate shall have been granted by the District or Zillah Judge, grant a fresh certificate in supersession of the certificate granted by the District or Zillah Judge, and such fresh certificate shall not affect any payments made to the person to whom any former certificate may have been granted without notice that the same has been superseded.

Local extent of power given by certificate.

VI. And it is hereby enacted, that every certificate shall give authority to the person to whom the same is granted throughout the Presidency within which the same is granted, and no certificate subsequently granted in respect of the same property shall be valid or effectual, except as hereinafter mentioned.

Government Notes and Dividends.

VII. And it is hereby enacted, that a person certified as aforesaid, may be empowered to receive interest on Government Notes and Dividends on Shares of any Bank or parts thereof, and to negotiate such Securities. He may be also empowered to receive a share of such interest or dividends or to negotiate a share of such Securities. These powers (which shall only arise by express words in the certificate) may be exercised in regard to Government Notes and Certificates of Shares of any Bank, existing within the local jurisdiction of the Supreme Court of that Presidency in which is situate the Court by whom those powers are conferred.

Payments under certificate void by reason of previous certificate.

VIII. And it is hereby enacted, that where a certificate shall have been granted in cases in which such certificate would be valid, but for the previous grant of a certificate,

all payments made to the person holding the later certificate in ignorance of the grant of the previous certificate shall be held good against claims under such previous certificate.

IX. And it is hereby enacted, with regard to the real and personal property of deceased persons whose personal property may by law pass to their personal representatives

without any Probate or Letters of Administration obtained in any of Her Majesty's Courts of Justice, that no certificate in respect of any such real or personal property shall be valid, if made after a Probate or Letters of Administration granted in respect of the same, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court granting the Probate or Letters of Administration.

X. And it is hereby provided, that where a certificate shall have been granted in cases in which such certificate would be valid, but for a Probate or Letters of Administration previously granted, all payments made to the person holding the certificate in ignorance of the previous granting of the Probate or Letters of Administration, shall be held good against claims under the Probate or Letters of Administration so previously granted.

XI. And it is hereby enacted, that no Probate or Letters of Administration shall be valid for the purpose of the recovery of debts or the security of debtors, after a certificate granted in respect of the same property for which such Probate or Letters of Administration shall have been granted, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court making such appointment or granting such certificate.

XII. And it is hereby provided, that where Probate or Letters of Administration may have been granted, in cases in which such Probate or Letters of Administration would be valid, but for the previous grant of a certificate, all payments made in ignorance of the previous grant of the certificate shall be held good against claims under such previous certificate.

XIII. And it is hereby declared and enacted, that all Probates and Letters of Administration granted by any of Her Majesty's Courts in cases in which any assets belonging to deceased persons were, at the time of their deaths, within the jurisdiction of the Court granting the Probate or Letters of Administration, shall have the effect of Probate and Letters of Administration granted in respect of the property of persons whose personal property cannot by law pass to his personal representative without a Probate or Letters of Administration, but for the purpose of the recovery of debts only, and the security of debtors paying the same; except so far as is in this Act provided, and except that this Act shall not be construed to make the taking out of Probate or Letters of Administration necessary for succession to property in any case in which it is not now necessary.

XIV. And it is hereby provided that nothing in this Act contained shall be held to extend to the real or personal property of any person whose personal property cannot by law pass to the personal representative without a Probate or Letters obtained in one of Her Majesty's Courts of Justice.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 1st day of March next.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 30TH NOVEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 30th November, 1840, is hereby promulgated for general information.

ACT No. XXIII. of 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts Legal Process issued by authorities in the Mofussil.

I. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the attendance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties ;—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following.—A copy of such Writ, Warrant, or other Process authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to any Judge of Her Majesty's Courts, who may thereupon, under his hand and signature, indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so indorsed as aforesaid to any such Sheriff as aforesaid, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the

date as appearing by the memorandum ; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst each other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process indorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts ; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expenses and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories, beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to remit the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person, it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken ; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situate within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts, may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

FORT WILLIAM, SECRET DEPARTMENT,

THE 4TH DECEMBER, 1840.

The Right Hon'ble the Governor General in Council is pleased to order that the following copy of a despatch from Major General Sir R. Sale, K. C. B. to the address of Major General Sir W. Cotton, G. C. B. and K. C. H., Commanding the Troops in Afghanistan, reporting his operations against the Enemy on the 2d ultimo, and the subjoined abstract from a despatch from Major General Nott, to the address of Sir W. Cotton, dated from Kelat the 3d ultimo, be published for general information.

By Order of the Right Hon'ble the Governor General of India in Council,

T. H. MADDOCK,

Secy. to the Govt. of India.

(COPIES.)

TO MAJOR GENERAL

SIR WILLOUGHBY COTTON, G. C. B. & K. C. H.,
&c. &c. &c.,

SIR,

Cabul.

Having received intelligence that Dost Mahomed Khan, with a number of armed followers, had taken possession of some Forts in this direction, from which he proposed moving to-day towards the Ghorebund Pass, with the view of effecting a junction with his Son Mahomed Afzul Khan, I determined on endeavoring to frustrate the attempt.

Accordingly at 6 A. M. I broke up my Camp at Balan, the Fort of Meer Musjeedee, and moved on this position.

An advanced column, consisting of four Companies of H. M. 13th Light Infantry, the two Flank Companies of the 37th N. I., one Company of the 27th N. I., the two 6-pounders of the Shah's, two Squadrons of the 2d Light Cavalry, and 200 of Anderson's Horse, the whole under the command of Lieutenant Colonel Salter, preceded the main body which was commanded by myself.

On approaching Purwan the Forts and Villages were rapidly evacuated by the Enemy who were seen flying to the Hills in great numbers; I cannot compute them at fewer than 500 Horse and 3500 foot; the native reports received swell their numbers to a much higher amount.

Dr. Lord, who accompanied Col. Salter to procure information, sent word that he believed if the Cavalry proceeded in advance they would be able to cut off some of the fugitives, and in compliance with his request the 2d Cavalry were ordered to skirt the hill

to the right, while the Shah's Horse under Captain Anderson took post on the left of the Pass, to prevent any of the Enemy attempting to escape in the direction of Ghorebund. The Infantry followed, but their movements were greatly retarded by the Guns, the progress of which was much impeded by the numerous water-courses that intersected the road.

The 2d Cavalry had preceded the column about a mile when a body of the Enemy's Horse, about 200 in number, supposed to be headed by Dost Mahomed in person, came down the Hill to attack them. The Cavalry was formed into Line and led on to the charge by Captains Fraser and Pousonby, Commanding the two Squadrons. It is my painful duty to record that the gallant bearing of these Officers was but ill seconded by their men, they both found themselves in the midst of the Enemy unsupported by their Troopers, and, after being most severely wounded, extricated themselves with difficulty and found their men flying before the Enemy. I deeply regret to state that Lieutenant Crispin, the Adjutant of the Regiment, was cut down and killed, leading his men into action; Dr. Lord was also most unfortunately killed in this affair, and Lieutenant Broadfoot, of the Engineers, who was also in advance, is missing.

Of the gallantry of Captain Fraser and the other Officers of the 2d Cavalry, who led the Squadrons of the Regiment on this occasion, I cannot speak too highly, and I regret that their noble example and the opportunity offered to the 2d Cavalry of adding to its laurels, have been thus neglected by them.

The two Flank Companies of the 37th Regiment and one Company of the 27th Regiment, supported by two Guns from Captain Abbott's Battery, and followed by some of the Jaun Bazees, now ascended the hill overlooking the Pass and Valley of Purwan, which was crowded by the Enemy's Infantry, and cleared it in brilliant style, the Enemy deserting their positions one after the other and flying in the direction of the Punjshere Valley, where they still cover the hill side in great numbers.

The Enemy however are at too great a distance to admit of my following up the advantage I have obtained this evening, the whole of the Troops having been under arms for 9 hours. I have therefore encamped on the ground, taking every precaution to guard against a night attack.

I beg to enclose the accompanying Casualty Return, from which you will perceive that, excepting the serious disaster sustained in the affair of the 2d Cavalry, but little loss has resulted from the day's operations.

I have, &c.,

(Signed) R. SALE, *M. Genl.*

Extract from a Despatch from Major Genl Nott, dated Camp Kelat, November 3d, 1840.

I have the honor to acquaint you for the information of Major General Sir Willoughby Cotton, G. C. B., and K. C. H., Commanding in Afghanistan, that the Troops under my Command this morning entered and took possession of the Town and Citadel of Kelat—the rebel Chiefs having evacuated this strong Fortress on the approach of the British Force.

After making the usual and necessary arrangements, I shall deliver the place over to the Political Authorities, leaving a complete Regiment to garrison that important Fortress until the pleasure of Government shall be known.

Although the Bengal Sepoys have not had on the present occasion an opportunity of distinguishing themselves in action with the Enemy, yet I beg to assure you that nothing could be finer than their conduct, the zealous and cheerful manner in which they conveyed the Battering Train during a march of near 300 miles of the most difficult country in the world, dragging these heavy guns over the Kajok Mountains, through beds of rivers and deep ravines, exceeds all praise, and has called forth the admiration of their European Officers and of the European Artillery-men attached to the Battery; their patience under fatigue and privation, and their soldier-like and orderly conduct, deserve my warmest thanks, and their anxious and

active zeal to hasten the march and to encounter the Enemy, has confirmed me in the conviction, that they are, when they perceive that confidence is placed in them, fully equal to any Troops in the world.

I cannot close this letter without bringing to your notice the great assistance I have received from Colonel Stacy, Commanding the 43d Regiment, Major Clarkson, Commanding the 42d Regiment, Captain Macan, Commanding the Troops of His Majesty Shah Shoojah ool Moolk, and my best thanks are due to that excellent Officer Captain William Anderson, in Command of the Artillery, and to Captain T. Walker, Commanding the Cavalry.

My best thanks are also due to Captain Polwhell, Brigade Major, and to Lieutenant Tytler, Deputy Assistant Quarter Master General, for their constant exertions in the public service.

FORT WILLIAM, LEGISLATIVE DEPARTMENT,

THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of proposed Act dated the 31 June 1839, and published in the Calcutta Gazette of the 8th of the same month, for the protection of moveable and immoveable property against wrongful possession in cases of successions.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be republished for general information:

Act No. — of 1840.

Act for the protection of moveable and immoveable property against wrongful possession in cases of successions.

I. Whereas much inconvenience has been experienced, where persons have died possessed of moveable and immoveable property, and the same has been taken upon pretended claims of right by gift or succession; the difficulty of ascertaining the precise nature of the moveable property in such cases, the opportunities for misappropriating such property and also the profits of real property, the delays of a regular suit when vexatiously protracted, and the inability of heirs when out of possession to prosecute their rights, affording strong temptations for the employment of force or fraud in order to obtain possession. And whereas, from the above causes, the circumstance of actual possession, when taken upon a succession, does not afford an indication of rightful title equal to that of a decision by a Judge after hearing all parties in a summary suit, though such summary suit may not be sufficient to prevent a party removed from possession thereby from instituting a regular suit,—and whereas such summary suit, though it will take away many of the temptations which exist for assuming wrongful possession upon a succession will be too tardy a remedy for obviating them all, especially as regards moveable property. And whereas it may be expedient prior to the determination of the summary suit to appoint a Curator to take charge of property upon a succession, where there is reason to apprehend danger of misappropriation, waste or neglect, and where such appointment will, in the opinion of the authority making the same, be beneficial under all the circumstances of the case. And whereas it will be very inconvenient to interfere with successions to estates by the appointment of Curators, or by summary suits unless satisfactory grounds for such proceedings shall appear, and unless such proceedings shall be required by or on the behalf of parties giving satisfactory proof that they are likely to be materially prejudiced if left to the ordinary remedy of a regular suit:—

It is hereby enacted, that whenever a person dies leaving property, moveable or immoveable, it shall be

lawful for any person claiming a right by succession thereto, or to any portion thereof, and being out of possession, to make application to the Judge of the Court of the District where any part of the property is found or situate for relief, either after actual possession has been taken by another person, or when opposition is apprehended.

II. And it is hereby enacted, that it shall be lawful for any agent, relative, or near friend, or for the Court of Wards in cases within their cognizance in the event of any minor disqualified or absent person being entitled by succession to such property as aforesaid, and being out of possession to make the like application for relief.

III. And it is hereby enacted, that the Judge to whom such application shall be made shall, in the first place enquire by the solemn declaration of the complainant, and by witnesses and documents at his discretion, whether there be strong reasons for believing that the party in possession is holding possession unlawfully, and that the applicant, or the person on whose behalf he applies is really entitled, and that the application is made bona fide.

IV. And it is hereby enacted, that in case the Judge shall be satisfied of the existence of such strong grounds of belief but not otherwise, he shall cite the party in possession and give notice of vacant or disturbed possession by publication, and after the expiration of a reasonable time shall determine summarily the right to possession (subject to regular suit as hereinafter mentioned) and shall deliver possession accordingly—provided always that the Judge shall have the power to appoint an officer who shall take an inventory of effects, and seal or otherwise secure the same upon being applied to for the purpose without delay, whether he shall have concluded the enquiry necessary for citing the party in possession or not.

V. And it is hereby enacted, that in case it shall further appear, upon such application and examination as aforesaid, that danger is to be apprehended of the misappropriation or waste of the property before the summary suit can be determined, and that it is likely to be attended with manifest benefit to the party out of possession, provided he be the lawful owner by succession, and that the delay in obtaining security from the party in possession, or the insufficiency thereof is likely to expose the party out of possession to considerable risk, provided he be the lawful owner; it shall be lawful for the Judge to appoint one or more Curators with the powers hereinafter next mentioned, whose authority shall continue according to the terms of his or their respective appointments, and in no case beyond the determination of the summary suit and the confirmation or delivery of possession in consequence thereof. Provided always that, in the case of land, the Judge may delegate to the Collector or to his officer the powers of a Curator, and also that every appointment of a Curator in respect of any property be duly published.

VI. And it is hereby enacted, that the Judge shall have power to authorize such Curator, either to take possession of the property generally, or until security

be given by the party in possession, or until inventories of the property shall have been made, or for any other purpose necessary for securing the property from misappropriation or waste by the party in possession. Provided always, that it shall be entirely discretionary with the Judge, whether he shall allow the party in possession to continue in such possession, on giving security, or not, and any continuance in possession shall be subject to such orders as the Judge may issue touching inventories, or the securing of deeds or other effects.

VII. And it is hereby enacted, that the Judge shall exact from the Curator security for the faithful discharge of his trust, and for rendering satisfactory accounts of the same as hereinafter mentioned, and may authorize him to receive out of the property such remuneration as shall appear reasonable, but in no case exceeding 5 per centum on the personal property and on the annual profits of the real property, all surplus monies realized by the Curator shall be paid into Court, and invested in public Securities for the benefit of the persons entitled thereto upon adjudication of the summary suit. Provided always, that although security shall be required from the Curator with all reasonable despatch, and, where it is practicable, shall be taken generally to answer all cases for which the person may be afterwards appointed Curator, yet no delay in the taking of security shall prevent the Judge from immediately investing the Curator with the powers of his office.

VIII. And it is hereby enacted, that in all matters regarding the propriety of citing the party in possession, of appointing a Curator, and of nominating individuals to that appointment, the Judge shall demand a report from the Collector, and the Collector is hereby required to furnish the same. In cases of urgency the Judge may proceed, in the first instance, without such report and he shall not be obliged to act in conformity thereto, but, in case of his acting otherwise than according to such report, he shall immediately forward a statement of his reasons to the Court of Sudder Dewany Adawlut, and the Court of Sudder Dewany Adawlut if they shall be dissatisfied with such reasons shall direct the Judge to proceed conformably to the report of the Collector.

IX. And it is hereby enacted, that the Curator shall be subject to all orders of the Judge regarding the institution or the defence of suits, and that all suits may be instituted or defended in the name of the Curator on behalf of the estate, provided that suits concerning the estate which would be triable before the Judge appointing the Curator shall be triable in the Zillah or City Court nearest to that of such Judge.

X. And it is hereby enacted, that pending the custody of the property by the Curator, it shall be lawful for the Judge to make such allowances as upon a summary investigation of the rights and circumstances of the parties interested, he shall consider that necessity may require, taking, at his discretion, security for the repayment thereof with interest, in case the party shall, upon the adjudication of the summary suit, appear not to be entitled thereto.

XI. And it is hereby enacted, that the Curator shall file monthly accounts in abstract, and at the period of every three months, if his administration last so long, and upon giving up the possession of the property file a detailed account of his administration to the satisfaction of the Judge.

XII. And it is hereby enacted, that after the Judge of any district shall have appointed any Curator, such appointment shall preclude the Judge of any other district within the same Presidency from appointing any other Curator, provided the first appointment be in respect of the whole of the property of the deceased. But if the appointment be only in respect of a portion of the property of the deceased, this shall not preclude the appointment within the same Presidency of another Curator in respect of the residue or any portion thereof; provided always that no Judge shall appoint a Curator or entertain a summary suit in respect of property which is the subject of a summary suit previously instituted under this Act before another Judge—and provided further, that if two or more Curators be appointed by different Judges for several parts of an estate, it shall be lawful for the Sudder Dewany Adawlut to make such orders as it shall think fit for the appointment of one Curator of the whole property.

XIII. And it is hereby provided, that this Act shall not be put in force, unless the aforesaid application to the Judge be made within six months of the decease of the proprietor, whose property is claimed by right in succession.

XIV. And it is hereby enacted, that this Act shall not be put in force to contravene any act of settlement, or in cases in which the deceased proprietor shall have given legal directions for the possession of his property after his decease in the event of minority or otherwise in opposition to such directions, but in every such case so soon as the Judge having jurisdiction over the property of a deceased person, shall be satisfied of the existence of such directions he shall give effect thereto, appointing the person indicated thereby to be Curator under this Act if so desired.

XV. And it is hereby provided, that this Act shall not be put in force, for the purpose of disturbing the possession of the Court of Wards of any Presidency; and in case a minor, or other disqualified person whose property shall be subject to the Court of Wards, shall be the party on whose behalf application is made under this Act, the Judge if he determines to cite the party in possession and also to appoint a Curator, shall invest the Court of Wards with the Curatorship of the estate pending the suit without taking such security as aforesaid, and in case the minor or other disqualified person shall, upon the adjudication of the summary suit appear to be entitled to the property, possession shall be delivered to the Court of Wards.

XVI. And it is hereby provided, that nothing in this Act contained shall be any impediment to the bringing of a regular suit either by the party whose application may have been rejected, before or after citing the party in possession, or by the party who may have been evicted from the possession under this Act.

XVII. And it is hereby enacted, that the decision of the Judge upon the summary suit under this Act shall have no other effect than, that of settling the actual possession; but that for this purpose it shall be final, not subject to any appeal or order for review.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 30TH NOVEMBER, 1840.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 30th November 1840, is published for general information.

Read a second time the Draft of a proposed Act dated the 3d June 1839, and published in the Calcutta Gazette of the 8th of the same month, for facilitating the collection of debts on successions, and for the security of parties in paying debts to the representatives of deceased persons.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject, be re-published for general information:

Act No. — of 1840.

Act for facilitating the collection of debts on successions, and for the security of parties paying debts to the representatives of deceased persons.

I. Whereas the use of Probates and Letters of Administration in regard to the property of deceased British subjects and other persons subject to the Supreme Courts, in their Ecclesiastical Jurisdiction, has been found very expedient, as well for enforcing the rights of persons entitled to such property by succession, as also for the security of all persons having transactions with them. And whereas the occasional use of Probates and Letters of Administration in respect of the property of deceased Natives of India, though voluntarily adopted by their representatives for the sake of the advantages arising therefrom, has been attended with much expence and inconvenience, besides creating much legal doubt as to the effect of the authority conferred. And whereas it is expedient to give an express legislative sanction to Probates and Letters granted by the Supreme Courts in respect of the property of deceased Natives, and to authorize instruments having the like effect with Probates and Letters of Administration being granted by the Mofussil Courts but, in either

case, for the purpose of recovering debts only, and the security of debtors paying the same;—

No debt recoverable without a certificate.

It is hereby enacted, that no debtor of any deceased person shall be compelled in any Court of Law to pay his debt to any person claiming to be entitled to the effects of any deceased person or any part thereof, except on the production of a certificate to be obtained in manner hereinafter mentioned, unless the Court shall be of opinion that payment of the debt is withheld from fraudulent or vexatious motives, and not from any reasonable doubt as to the party entitled.

Manner of obtaining certificate.

II. And it is hereby enacted, that the Zillah or District Court within the jurisdiction of which any part of the property of the deceased may be found shall have authority to grant a certificate under this Act. The applicant in his petition shall set forth his title. The Judge shall issue notice of application, inviting claimants, and fixing a day for hearing the petition, and in these matters shall proceed as laid down in the Rules in Sections and of Act No. of 1841. (Vide Draft Act respecting curators.)

Effect of certificate.

III. And it is hereby enacted, that the certificate of the District or Zillah Judge shall be conclusive of the representative title against all debtors to the deceased, and shall afford full indemnity to all debtors paying their debts to the person in whose favor the certificate has been granted.

Security taken from grantee of certificate.

IV. And it is hereby enacted, that the District or Zillah Judge may take such security as he shall think necessary from any person to whom he shall grant a certificate for rendering an account of debts received by him, and for indemnity of persons who may be entitled to the whole or any part of the monies received by virtue of such certificate, whose right to recover the same by regular suit against the holder of the certificate is not affected by this Act.

Decision of Judge how far final.

V. And it is hereby enacted, that the granting of such certificate may be suspended by an appeal to the Court of Sudder Dewanny Adawlut, which Court may declare the party to whom the certificate should be granted, or may direct such proceedings for the investigation of the title as it shall think fit. The Court may also upon petition, after a certificate shall have been granted by the District or Zillah Judge, grant a fresh certificate in supersession of the certificate granted by the District or Zillah Judge, and such fresh certificate shall not affect any payments made to the person to whom any former certificate may have been granted without notice that the same has been superseded.

Local extent of power given by certificate.

VI. And it is hereby enacted, that every certificate shall give authority to the person to whom the same is granted throughout the Presidency within which the same is granted, and no certificate subsequently granted in respect of the same property shall be valid or effectual, except as hereinafter mentioned.

Government Notes and Dividends.

VII. And it is hereby enacted, that a person certified as aforesaid, may be empowered to receive interest on Government Notes and Dividends on Shares of any Bank or parts thereof, and to negotiate such Securities. He may be also empowered to receive a share of such interest or dividends or to negotiate a share of such Securities. Those powers (which shall only arise by express words in the certificate) may be exercised in regard to Government Notes and Certificates of Shares of any Bank, existing within the local jurisdiction of the Supreme Court of that Presidency in which is situate the Court by whom those powers are conferred.

Payments under certificate void by reason of previous certificate.

VIII. And it is hereby enacted, that where a certificate shall have been granted in cases in which such certificate would be valid, but for the previous grant of a certificate,

all payments made to the person holding the later certificate in ignorance of the grant of the previous certificate shall be held good against claims under such previous certificate.

Certificate after previous grant of Probate or Letters void.

IX. And it is hereby enacted, with regard to the real and personal property of deceased persons whose personal property may by law pass to their personal representatives without any Probate or Letters of Administration obtained in any of Her Majesty's Courts of Justice, that no certificate in respect of any such real or personal property shall be valid, if made after a Probate or Letters of Administration granted in respect of the same, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court granting the Probate or Letters of Administration.

Bona fide payments protected.

X. And it is hereby provided, that where a certificate shall have been granted in cases in which such certificate would be valid, but for a Probate or Letters of Administration previously granted, all payments made to the person holding the certificate in ignorance of the previous granting of the Probate or Letters of Administration, shall be held good against claims under the Probate or Letters of Administration so previously granted.

Probate or Letters after previous grant of Certificate.

XI. And it is hereby enacted, that no Probate or Letters of Administration shall be valid for the purpose of the recovery of debts or the security of debtors, after a certificate granted in respect of the same property for which such Probate or Letters of Administration shall have been granted, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court making such appointment or granting such certificate.

Bona fide payments protected.

XII. And it is hereby provided, that where Probate or Letters of Administration may have been granted, in cases in which such Probate or Letters of Administration would be valid, but for the previous grant of a certificate, all payments made in ignorance of the previous grant of the certificate shall be held good against claims under such previous certificate.

Effect of Probates and Letters granted to Representatives of Hindoos and others.

XIII. And it is hereby declared and enacted, that all Probates and Letters of Administration granted by any of Her Majesty's Courts in cases in which any assets belonging to deceased persons were, at the time of their deaths, within the jurisdiction of the Court granting the Probate or Letters of Administration, shall have the effect of Probate and Letters of Administration granted in respect of the property of persons whose personal property cannot by law pass to his personal representation without a Probate or Letters of Administration, but for the purpose of the recovery of debts only, and the security of debtors paying the same; except so far as is in this Act provided, and except that this Act shall not be construed to make the taking out of Probate or Letters of Administration necessary for succession to property in any case in which it is not now necessary.

XIV. And it is hereby provided that nothing in this Act contained shall be held to extend to the real or personal property of any person whose personal property cannot by law pass to the personal representative without a Probate or Letters obtained in one of Her Majesty's Courts of Justice.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 1st day of March next.

Provided always, that it shall be entirely discretionary with the Judge, whether he shall allow the party in possession to continue in such possession, on giving security, or not, and any continuance in possession shall be subject to such orders as the Judge may issue touching inventories, or the securing of deeds or other effects.

VII. And it is hereby enacted, that the Judge shall exact from the Curator security for the faithful discharge of his trust, and for rendering satisfactory accounts of the same as hereinafter mentioned, and may authorize him to receive out of the property such remuneration as shall appear reasonable, but in no case exceeding 5 per centum on the personal property and on the annual profits of the real property, all surplus monies realized by the Curator shall be paid into Court, and invested in public Securities for the benefit of the persons entitled thereto upon adjudication of the summary suit. Provided always, that although security shall be required from the Curator with all reasonable despatch, and, where it is practicable, shall be taken generally to answer all cases for which the person may be afterwards appointed Curator, yet no delay in the taking of security shall prevent the Judge from immediately investing the Curator with the powers of his office.

VIII. And it is hereby enacted, that in all matters regarding the propriety of citing the party in possession, of appointing a Curator, and of nominating individuals to that appointment, the Judge shall demand a report from the Collector, and the Collector is hereby required to furnish the same. In cases of urgency the Judge may proceed, in the first instance, without such report and he shall not be obliged to act in conformity thereto, but, in case of his acting otherwise than according to such report, he shall immediately forward a statement of his reasons to the Court of Sudder Dewany Adawlut, and the Court of Sudder Dewany Adawlut if they shall be dissatisfied with such reasons shall direct the Judge to proceed conformably to the report of the Collector.

IX. And it is hereby enacted, that the Curator shall be subject to all orders of the Judge regarding the institution or the defence of suits, and that all suits may be instituted or defended in the name of the Curator on behalf of the estate, provided that suits concerning the estate which would be triable before the Judge appointing the Curator shall be triable in the Zillah or City Court nearest to that of such Judge.

X. And it is hereby enacted, that pending the custody of the property by the Curator, it shall be lawful for the Judge to make such allowances as upon a summary investigation of the rights and circumstances of the parties interested, he shall consider that necessity may require, taking, at his discretion, security for the repayment thereof with interest, in case the party shall, upon the adjudication of the summary suit, appear not to be entitled thereto.

XI. And it is hereby enacted, that the Curator shall file monthly accounts in abstract, and at the period of every three months, if his administration last so long, and upon giving up the possession of the property file a detailed account of his administration to the satisfaction of the Judge.

XII. And it is hereby enacted, that after the Judge of any district shall have appointed any Curator, such appointment shall preclude the Judge of any other district within the same Presidency from appointing any other Curator, provided the first appointment be in respect of the whole of the property of the deceased. But if the appointment be only in respect of a portion of the property of the deceased, this shall not preclude the appointment within the same Presidency of another Curator in respect of the residue or any portion thereof; provided always that no Judge shall appoint a Curator or entertain a summary suit in respect of property which is the subject of a summary suit previously instituted under this Act before another Judge; and provided further, that if two or more Curators be appointed by different Judges for several parts of an estate, it shall be lawful for the Sudder Dewany Adawlut to make such orders as it shall think fit for the appointment of one Curator of the whole property.

XIII. And it is hereby provided, that this Act shall not be put in force, unless the aforesaid application to the Judge be made within six months of the decease of the proprietor, whose property is claimed by right in succession.

XIV. And it is hereby enacted, that this Act shall not be put in force to contravene any act of settlement, or in cases in which the deceased proprietor shall have given legal directions for the possession of his property after his decease in the event of minority or otherwise in opposition to such directions, but in every such case so soon as the Judge having jurisdiction over the property of a deceased person, shall be satisfied of the existence of such directions he shall give effect thereto, appointing the person indicated thereby to be Curator under this Act if so desired.

XV. And it is hereby provided, that this Act shall not be put in force, for the purpose of disturbing the possession of the Court of Wards of any Presidency; and in case a minor, or other disqualified person whose property shall be subject to the Court of Wards, shall be the party on whose behalf application is made under this Act, the Judge if he determines to cite the party in possession and also to appoint a Curator, shall invest the Court of Wards with the Curatorship of the estate pending the suit without taking such security as aforesaid, and in case the minor or other disqualified person shall, upon the adjudication of the summary suit appear to be entitled to the property, possession shall be delivered to the Court of Wards.

XVI. And it is hereby provided, that nothing in this Act contained shall be any impediment to the bringing of a regular suit either by the party whose application may have been rejected, before or after citing the party in possession, or by the party who may have been evicted from the possession under this Act.

XVII. And it is hereby enacted, that the decision of the Judge upon the summary suit under this Act shall have no other effect than, that of settling the actual possession; but that for this purpose it shall be final, not subject to any appeal or order for review.

ACT No. XXIII. of 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts Legal Process issued by authorities in the Mofussil.

1. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the attendance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties:—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following:—A copy of such Writ, Warrant, or other Process, authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to any Judge of Her Majesty's Courts, who may thereupon, under his hand and signature, indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so indorsed as aforesaid to any such Sheriff as aforesaid, every such Sheriff shall make a memorandum of the date of such delivery, and shall transmit such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the

date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst each other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process indorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expenses and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person, it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situate within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts, may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Sol-
diers' and Sailors' Letters, intended for transmission by
the Overland Mails, and except those specially marked
"via Falmouth," will be sent through France, and thus
be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France,
as well as those to other foreign countries, with which
France is the channel of communication (if the latter are
expressly directed to be so sent) will be made up in Packets
and sent to the French Post Master at Marseilles; but
Letters for Foreign Countries, other than France, if not

GENERAL POST OFFICE NOTICE.

UNDER the orders of Government, the subjoined Notice
to the Public of England, is promulgated for the
information of the Public of India: and as the inconven-
iences described in that Notice, as arising out of the use of
sealing wax, for closing letters, are equally experienced in
India, it is strongly recommended that the use of wafers be
universally adopted as suggested by the English Post
Office Authorities.

No. 9, 1840.

NOTICE TO THE PUBLIC AND INSTRUCTIONS TO ALL POST
MASTERS AND LETTER RECEIVERS.

General Post Office, August 1840.

The practice of sealing letters passing to and from the
East and West Indies, and other warm climates, with wax,
is attended with much inconvenience, and frequently with
serious injury to the letters, in consequence of the melting
of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India con-
siderable delay was occasioned at this Office, and notwith-
standing the greatest care was taken in separating the
letters, which, owing to the cause already mentioned, ad-
hered closely together, many were much damaged and torn:
the Public are therefore recommended in all possible cases
to use wafers in preference to wax in sealing their letters
sent to India or other warm climates, and also to advise
their correspondents in those countries to pursue the same
course.

Post Masters are also enjoined to give every publicity to
this caution.

12. The Purchaser of any Lot shall have the option of naming and purchasing in immediate succession any number of Lots of the same Agency Opium to the extent of Fifty Lots; and for the Lots so purchased, the Purchaser shall deposit 1,000 Rupees per Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Fifty, but not otherwise.

No. 1. Certificate of the Opium now advertised for Sale.

No. 2. Report of the examination of such Opium.

15. The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1839-40, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale to enable them to judge of the state of preservation in which the Drug has kept.

requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 18,829 Chests of Behar and Benares Opium as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

ARTICLE.

Article of the Convention above referred to. 6. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium,
W. BRACKEN, *Offg. Secretary.*

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS FOR

MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

For Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
For Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, *Salutary Opium*, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

LEGISLATIVE DEPARTMENT,

THE 30th NOVEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 30th November, 1840, is hereby promulgated for general information.

ACT No. XXIII. of 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts Legal Process issued by authorities in the Mofussil.

I. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the atten-

dance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties;—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following.—A copy of such Writ, Warrant, or other Process authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to any Judge of Her Majesty's Courts, who may thereupon, under his hand and signature, indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so indorsed as aforesaid to any such Sheriff as aforesaid, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst each other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process indorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expences and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority, or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to remit the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person, it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situate within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within

the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts, may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

FORT WILLIAM, LEGISLATIVE DEPARTMENT,

THE 7TH DECEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 7th of December 1840, is hereby promulgated for general information.

ACT No. XXIV. of 1840.

For amending the Law with respect to rates for Municipal purposes within the Town of Calcutta.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Calcutta shall be applied; and abolish the practice which has hitherto prevailed, of levying five per cent on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per-centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per-centage leviable by quarterly rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expences and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33 Geo. 3, Cap. 52, in regard to assessments for the Town of Calcutta in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;—

It is hereby enacted, that the assessments which by the Statute 33 Geo. 3 Ch. 52 are authorized to be made for the Town of Calcutta, shall be applicable to the following purposes only—viz. lighting, and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessments and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expences, and for making up deficiencies and defaults of every kind whatsoever. Provided always that no rate shall be made exceeding the amount of five per cent, on the assessed value of property without the sanction of the Governor of Fort William in Bengal.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates, and the management thereof within particular divisions, being undertaken by the

rate-payers themselves—the Justices at their Quarter Sessions shall publish quarterly the particulars of all sums laid out, and of all the expences of collection and deficiencies during the preceding quarter within the following divisions of the Town, or such other divisions as the Governor of Fort William in Bengal may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under their jurisdiction, viz. the 1st or Upper North Division, bounded as follows:

North—by the Mahratta Ditch.
South—by the Mutchooa Bazar Road and Cotton Street to Meerbhur's Ghaut.
East—by the Circular Road.
West—by the River Hooghly.

2d or Lower North Division, bounded as follows:
North—by Mutchooa Bazar Road and Cotton Street, to Meerbhur's Ghaut.

South—by the Boitakhanna and Bow Bazar Road, and Hare Street, to Police Ghaut.
East—by the Circular Road.
West—by the River Hooghly.

3d or Upper South Division, bounded as follows:
North—Boitakhanna, Bow Bazar Road and Hare Street, to Police Ghaut.

South—Durrumtollah Street and Esplanade Row, to Chandpaul Ghaut.
East—Circular Road.
West—River Hooghly.

4th or Lower South Division, bounded as follows:
North—by the Durrumtollah Street and Esplanade Row, to Chandpaul Ghaut.

South—by the Lower Circular Road to Kidderpore Bridge and Tolly's Nullah, to River Hooghly, including the Fort and Cooly Bazar.
East—by the Circular Road.
West—by the River Hooghly.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate-payers of any of such respective divisions shall apply to the Governor of Fort William in Bengal to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort William in Bengal to authorise the same accordingly, at his discretion; provided always that such majority of rate-payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor of Fort William in Bengal upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor of Fort William in Bengal, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of

Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any Assessment rate or Warrant of Distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and, in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattles of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And that all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any Zenana, the Officer charged with the execution of the Warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court.

GENERAL POST OFFICE NOTICE.

UNDER the orders of Government, the subjoined Notice to the Public of England, is promulgated for the information of the Public of India; and as the inconveniences described in that Notice, as arising out of the use of sealing wax, for closing letters, are equally experienced in India, it is strongly recommended that the use of wafers be universally adopted as suggested by the English Post Office Authorities.

NOTICE TO THE PUBLIC AND INSTRUCTIONS TO ALL POST
MASTERS AND LETTER RECEIVERS.
General Post Office, August 1840.

The practice of sealing letters passing to and from the East and West Indies, and other warm climates, with wax, is attended with much inconvenience, and frequently with serious injury to the letters, in consequence of the melting of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India, considerable delay was occasioned at this Office, and notwithstanding the greatest care was taken in separating the letters, which, owing to the cause already mentioned, adhered closely together, many were much damaged and torn: the Public are therefore recommended in all possible cases to use wafers in preference to wax in sealing their letters sent to India or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

Post Masters are also enjoined to give every publicity to this caution.

If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 12,829 Chests of Behar and Benares Opium as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

ARTICLE.

6. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium,
W. BRACKEN, Offg. Secretary.

NOTICE is hereby given, that with the sanction of the Board of Customs, Salt and Opium, Tenders will be received at this Office on or before the 31st proximo, at 12 o'clock, for the purchase of Mds. 819 of Cuttack Pungah Salt of 1282, to be sold in quantities of not less than lots of 250 maunds each, in satisfaction of Golah rent due, should the owners not previously appear and pay up the rent now due on their goods.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHANCING CROSS.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN, AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchered for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co., Madras.
Messrs. LEACH & Co., Bombay.

THE following PLAN, now in practice by a large number of the Subscribers to Messrs. GRINDLAY and Co.'s Agency, is recommended for general adoption:—

No. 269 of 1840.—His Excellency the Commander in Chief having laid before Government a letter from Major General Sir Willoughby Cotton, G. C. B. and K. C. H., Commanding in Afghanistan, transmitting Medical Certificates, and soliciting permission to resign his Command for the purpose of returning to Europe, for the recovery of his health, the Right Hon'ble the Governor General of India in Council, while he much regrets the retirement of an Officer who has rendered such valuable services to the State, and deeply laments its cause, nevertheless deems it due to the Major General, in consideration of the seriously impaired state of his health, to comply with his solicitation.

The Governor General of India in Council has great satisfaction in expressing the high sense entertained by Government of the ability displayed by Sir W. Cotton in exercising during a period of great difficulty the important Command for which he was selected, and their acknowledgment of the judgment, discretion and vigilance, with which he directed the distribution, and consulted the well being of the troops under his Command.

Duly appreciating the feeling which induced the Major General, notwithstanding the precarious state of his health, to remain at his post, while he deemed his presence neces-

sary, the Governor General of India in Council congratulates Sir W. Cotton, on having before relinquishing his Command, succeeded in surmounting the principal Military difficulties of the task imposed on him.

FORT WILLIAM, LEGISLATIVE DEPARTMENT, THE 7TH DECEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 7th of December 1840, is hereby promulgated for general information.

Act No. XXIV. of 1840.

For amending the Law with respect to rates for Municipal purposes within the Town of Calcutta.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Calcutta shall be applied; and abolish the practice which has hitherto prevailed, of levying five per cent on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per-centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per-centage leviable by quarterly rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33 Geo. 3, Cap. 52, in regard to assessments for the Town of Calcutta in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;—

It is hereby enacted, that the assessments which by the Statute 33 Geo. 3 Ch. 52 are authorized to be made for the Town of Calcutta, shall be applicable to the following purposes only—viz. lighting, and watering the roads and streets, and cleaning and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessments and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor of Fort William in Bengal.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the

rate-payers themselves—the Justices at their Quarter Sessions shall publish quarterly the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within the following divisions of the Town, or such other divisions as the Governor of Fort William in Bengal may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under their jurisdiction, viz. the

1st or Upper North Division, bounded as follows:

North—by the Mahratta Ditch.

South—by the Mutchooa Bazar Road and Cotton Street to Meerbhur's Ghaut.

East—by the Circular Road.

West—by the River Hooghly.

2d or Lower North Division, bounded as follows:

North—by Mutchooa Bazar Road and Cotton Street, to Meerbhur's Ghaut.

South—by the Boitakhanna and Bow Bazar Road, and Hare Street, to Police Ghaut.

East—by the Circular Road

West—by the River Hooghly.

3d or Upper South Division, bounded as follows:

North—Boitakhanna, Bow Bazar Road and Hare Street, to Police Ghaut.

South—Durrumtollah Street and Esplanado Row, to Chandpaul Ghaut

East—Circular Road

West—River Hooghly.

4th or Lower South Division, bounded as follows:

North—by the Durrumtollah Street and Esplanado Row, to Chandpaul Ghaut.

South—by the Lower Circular Road to Kidderpore Bridge and Tolly's Nullah, to River Hooghly, including the Fort and Cooly Bazar.

East—by the Circular Road.

West—by the River Hooghly.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate-payers of any of such respective divisions shall apply to the Governor of Fort William in Bengal to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort William in Bengal to authorise the same accordingly, at his discretion; provided always that such majority of rate-payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor of Fort William in Bengal upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor of Fort William in Bengal, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of

Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any Assessment rate or Warrant of Distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and, in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And that all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any Zenana, the Officer charged with the execution of the Warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court.
